

ASEAN *Fest* 2023

22-25 AUGUST
2023

HALL B
JAKARTA CONVENTION CENTER

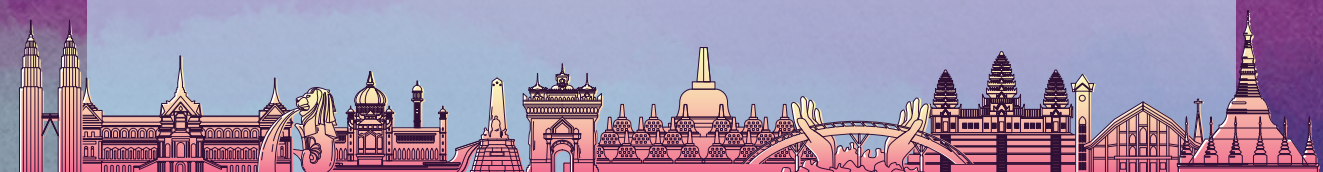

**EVENT
PROGRAMS**

The concept is made to expand conversations in the meeting rooms into a broader audience, through a series of different activities.

While ASEAN Meetings are closed discussions meant for delegates only, it is important that people of Indonesia become part of the Indonesia 2023 ASEAN Chairmanship. ASEAN Fest provides an opportunity for the general public to experience the vibe and take pride in the ASEAN Chairmanship.
